### What do I need to do and by when?

The CHESSE Depository Interests of ZBT (**ZBT's Financial Products**), which are scheduled to commence trading under ASX code ZBT on *26 October 2020*, are not permitted to be acquired at any time by, or for the account of or benefit of, any U.S. Person who is not a Qualified Institutional Buyer (**Excluded U.S. Investor**) (annexed to this Notice is an excerpt of the definition of U.S. Person, Qualified Institutional Buyer and Excluded U.S. Investor). Any Excluded U.S. Investor will not be entitled to acquire any of ZBT's Financial Products during the applicable distribution compliance period except:

- (a) in accordance with the provisions of Regulation S under the U.S. Securities Act of 1933, as amended (**U.S. Securities Act**);
- (b) pursuant to Rule 144A under the U.S. Securities Act;

- (d) pursuant to any other available exemption from the registration requirements of the U.S. Securities Act,

and in each case in accordance with all applicable U.S. state securities laws.

In order to ensure that foreign ownership restrictions can be monitored and that ZBT's Financial Products are not acquired by, or for the account of, or benefit of any Excluded U.S. Investor, ASX Settlement has agreed:

- (a) to classify ZBT's Financial Products as FOR Financial Products under the ASX Settlement Operating Rules and to include ZBT's Financial Products in Schedule 1 of the ASX Settlement Operating Rules Procedures; and
- (b) to implement certain additional procedures as contemplated in Guidance Note 7 of the ASX Listing Rules (*US Entities – Regulation S Offerings on ASX*) and Guidance Note 13 of the ASX Settlement Operation Rules (*Financial Products subject to Foreign Ownership Restrictions*) in relation to ZBT's Financial Products.

The following conditions apply to ZBT's Financial Products:

## Foreign Person

A “Foreign Person” is an “Excluded U.S. Investor” as that term is defined in the attachment to this Bulletin.

## Level of Foreign Ownership

The relevant Foreign Person ownership level is **zero**.

**This means that no Excluded U.S. Investor, as that term is defined, may acquire ZBT's Financial Products.**

ZBT, as Issuer of the Financial Products, has agreed to be bound by the additional obligations of an Issuer of FOR Financial Products under Rule 5.18 of the ASX Settlement Operating Rules.

ZBT’s Financial Products are being offered and will be traded on the ASX market in reliance on the safe harbour provisions of Regulation S under the U.S. Securities Act and pursuant to Rule 144A under the U.S. Securities Act. In addition, ZBT’s Financial Products are being offered and will be traded in compliance with the procedures set out in the no-action letter dated 7 January 2000 given to ASX by the United States Securities and Exchange Commission in respect of offerings on the ASX market, other than in relation to procedures that allow U.S. Persons that are Qualified Institutional Buyers to purchase CDIs in secondary market transactions on ASX. Certain of these procedures can be satisfied by the application of the status of FOR Financial Products to ZBT’s Financial Products under the ASX Settlement Operating Rules. The status of FOR Financial Products under the ASX Settlement Operating Rules will be applied to ZBT’s Financial Products.

Where the holder is currently designated as "F", and wishes to hold ZBT's Financial Products, but is not an Excluded U.S. Investor, a new holder record should be established for that holder designated as "D" for the purposes of holding ZBT's Financial Products.

Where a holder is currently designated as "F" or "M", and is an Excluded U.S. Investor, that person cannot acquire any of ZBT's Financial Products.

**Participants should liaise with clients intending to purchase or hold ZBT’s Financial Products and make all necessary enquiries to ensure that those clients are not Excluded U.S. Investors, and that those clients who are Excluded U.S. Investors are made aware that they cannot acquire any of ZBT's Financial Products. Failure to do so may result in client loss. Similarly, Participants may be liable for any failure to establish a new Holder Record designated as “D” or effect a change of residency indicator where it is necessary.**

## Foreign and Mixed Holdings

ZBT's Financial Products cannot be acquired by an Excluded U.S. Investor in holdings designated as "F" or "M" under any circumstances, as they may be subject to divestment action by Zebit as set out under the ASX Settlement Operating Rules.

## Divestment Periods and Procedure

If the Foreign Ownership Percentage Level is breached, that is, if any Excluded U.S. Investor designated as “F” or “M” is registered as holding ZBT’s Financial Products, ZBT reserves the right, to the maximum extent permitted by law, to take divestment or forfeiture action in respect of those Financial Products.
