Zebit's CHES Depository Interests (CDIs) are issued in reliance on the exemption from registration contained in Regulation S of the U.S. Securities Act of 1933 (Securities Act) for offers of securities which are made outside of the U.S. Accordingly, the CDIs have not been, and will not be, registered under the Securities Act or the laws of any state or other jurisdiction in the U.S. As a result of relying on the Regulation S exception, the CDIs are 'restricted securities' under Rule 144 of the Securities Act. This means that you are unable to sell the CDIs into the U.S. or to a U.S. person who is not a QIB for the foreseeable future except in very limited circumstances after the end of the restricted period, unless the re-sale of the CDIs is registered under the Securities Act or an exemption is available. To enforce the above transfer restrictions, all CDIs issued bear a FOR Financial Product designation on the ASX. This designation restricts any CDIs from being sold on ASX to U.S. persons excluding QIBs. However, you are still able to freely transfer your CDIs on ASX to any person other than a U.S. person who is not a QIB. In addition, hedging transactions with regard to the CDIs may only be conducted in accordance with the Securities Act.
