

CONFIRMING YOUR TAX STATUS

As a Zebit shareholder, you should have recently received a W-9 (US) or W-8 (non-US) tax form to complete via physical mail. The tax form contains your specific Zebit common stock control ID(s). A tax form needs to be completed for each account you have, assuming you have more than 1 account on file.

This form needs to be completed and sent back to Computershare to the below PO Box. The tax form is to ensure no unnecessary taxes are withheld in any future applicable transaction. We highly encourage all shareholders to complete the forms and send them back immediately.

22 July 2022

Dear Shareholders:

As you know, all Zebit CDIs converted to US common stock after Zebit's delisting on 22 April 2022. As a US stockholder, it is **extremely important you confirm your tax status** for the US tax authority in order to avoid unnecessary withholdings if/when applicable.

Please complete the form in this packet and send it back immediately according to the instructions contained within.

As a reminder, to receive communications faster, I highly recommend you add your email address to your Computershare account profile.

Warmest Regards,

A handwritten signature in black ink, appearing to read 'Marc Schneider', with a long, horizontal flourish extending to the right.
